Wherever once introduced their sale has been truly wonderful. While from the frigid climes of the North to the torrid zones of the South, and from the Eastern shores of the Atlantic to the Western shores of the Pacific, the pealing and discordant thunders of humburgery are grating harshiy upon the ear, the soft and convincing tones of science have come to your rescue, and now make strong appeals, upon your calm reason and judgment to try our remedies, promising that they will at once merit your esteem and confidence.

GREAT

These are the standard Family Medicines of America. They are prescribed and used by the medical profession. They are preferred by every mother and father. They immediately merit public esteem and confidence of all who once test their virtues. They are prepared by physicians who are fully authorized by the Congress of the United States, and are the result of a long bedside experience. Being neither secrets nor patents, the medical profession have no hesitancy in giving them a fair trial and a hearty recommendation.

English Female Bitters.

WHAT WILL THEY DO? They will restore fading female beauty, will paint the pale check, will hurl back the gathering storm that encircles your brow, will add brightness and lustre to your lifeless eye, will give brilliancy and activity to your dull intellect, will soothe and strengthen your singtered nerves, add tone, health and buoyancy to your whole system. Are from the best makers in the United States (so-called), and if you want a shoe to fit a Southern lady right, call on us.

How Will They Do All This? By arousing, regulating and restoring all only females to a healthy condition. By by arousing, regulating and restoring all sickly females to a healthy condition. By curing all those complaints peculiar to the female sex, such as Panfall, Suppressed or Irregular Menstruation, Hysteria, Leucornica, Prolapsus Uteri, Ulceration and Irritability of the Womb, Pains in the Side and Back, Melancholly, Paintsin for the Head, Cold Feet and Hands, Nervouspess, Sick Hendache, a Peeling of Suffocation, Indisposition to enter Society, and all the diseases arising from a demaged condition of the Uterine system, whether affecting old or young, married or single.
